

# Certificate of Accomplishment

## Baltic **AI** Hack

This certificate is awarded to

# Henri Tiits

for their outstanding participation in the Baltic AI Hackathon, held from October 4–6, 2024 at Riga Technical University. By collaborating on cutting-edge AI solutions within the themes of education, environmental sustainability, social inclusion, and public services, this participant has contributed to innovative projects that address real-world challenges through the transformative power of AI.

We commend their creativity, teamwork, and dedication to pushing the boundaries of AI-driven innovation.

Date: 2024-10-08

Certificate ID: 3b9770da-923f-4a9f-95b6-96c0c59f9be3

Issued by: Baltic AI Hack Project Manager Artis Cicens and Lead Organizer Karlis Skuja
