

Certificate of Accomplishment

Baltic **AI** Hack

This certificate is awarded to

Zhou Han

for their outstanding participation in the Baltic AI Hackathon, held from October 4–6, 2024 at Riga Technical University. By collaborating on cutting-edge AI solutions within the themes of education, environmental sustainability, social inclusion, and public services, this participant has contributed to innovative projects that address real-world challenges through the transformative power of AI.

We commend their creativity, teamwork, and dedication to pushing the boundaries of AI-driven innovation.

Date: 2024-10-08

Certificate ID: fe27a180-207f-4bc6-ab9a-d82fdb08c801

Issued by: Baltic AI Hack Project Manager Artis Cicens and Lead Organizer Karlis Skuja
